WEST POINT CITY

2010 Census

With limited space in this month's newsletter I thought I would share some quick "fun facts" from the 2010 Census. According to the census the current population of West Point is 9,511. That is up from the 6,033 residents in the 2000 census. With our current boundaries our build out population is projected to be around 26,000 residents. The average age in West Point is 26 partly due to the large amount of kids that fill our elementary and Junior High schools. I also found it interesting that the average household income is \$57,000, almost twice the national average. The census also showed that over 90% of the homes in West Point are owner occupied. Although we have not seen the growth of neighboring cities we have more growth potential than nearly any other city in Davis County.

Fireworks

One other quick note. As of right now we have collected about \$10,500 to go towards our fireworks for this year. With that we are still about \$2,500 short of our goal. With the 2012 budget we have found room to once again fund the fireworks. We appreciate all those who donated or still wish to donate. We are proud of our conservative approach to the recession and having the residents step up when we had a shortfall says a lot about the make-up of our great city. If you have any comments questions or concerns please contact me by calling City Hall.

Online Bill Payment Changes

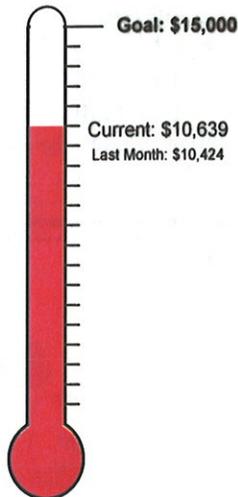

West Point City will be changing our credit card processing company which will affect those residents who utilize our online bill pay service. This change will occur on July 1, 2011 and affected residents will be receiving a letter of instructions to re-register for recurring payments. This change is being made to enhance this service and should make it easier to use!

West Point 2011 Elections

West Point City will have 3 City Council positions up for election this year. The filing time frame is July 1 to July 15, 2011. There is a filing fee of \$25.00. Please come to City Hall for more information or email the City Recorder, Amy Jensen, at ajensen@westpointcity.org.

Youth Council Corner

“Compassion”

is this month’s motivational word.
“If you want others to be happy,
practice compassion. If you want to be
happy, practice compassion.”

-Dalai Lama

This month the Youth Council helped
with teacher appreciation at Lakeside
Elementary. They also planted
pumpkins at the community garden in
West Point.

Spring brings flowers and weeds..

As spring finally arrives, we would like to
remind all residents that it is time to get your
yards looking good. With all of the rain we have
had this year, weeds will be growing strong, but
must be kept under control. City Code requires
that weeds be kept trimmed and all landscaped
areas, including the park strips, be maintained by
the property owner. City Code also prohibits the
accumulation of junk and debris on your prop-
erty, especially junk vehicles that are not regis-
tered. Our code enforcement officer will be
leaving door hangers as a friendly reminder to
residents about the requirements. Thank you for
your cooperation as we work together to keep
West Point looking great!
