\$1.65 per  
1,000 gallons

### Sewer Rates

Base: \$16.20

(Increased by \$1.50 from \$14.70 due to an increase by the North Davis Sewer District.)

## Mayor's Message

### Water, Roads and Sewer

Ready or not summer is almost here. Kids will be out of school and the fun will begin. For this month's newsletter I thought I would go around the city and give a quick update on the happenings around town.

Water - In last month's newsletter I mentioned that we would be faced with some secondary water restrictions. I hope by now you have all received the information regarding these restrictions, and you should be aware of when and how often our yards can be watered. Keep in mind, these restrictions are put in place by Davis and Weber Canal Company, the water provider; they have access to all necessary data and information and they make their decisions on usage, based on the available supply. They are asking for about a 25% reduction this summer, many of the ditch companies are requiring the farmers in the area to cut their watering as much as 50%. So we are all affected by this conservation effort. Please be mindful of the new restrictions and pay close attention to the watering days, there will be individuals monitoring the usage and those who are not complying will be subject to having their water service terminated for a couple of weeks.

Roads - If you drive around in the east part of town will notice the progress of the new portion of Highway 193 (200 South). I have been approached by some, about the sound wall that is almost completed along the corridor. Some people like it and others wonder why it is there. Actually, the residents along the new highway voted and the vast majority of the residents voted in favor of the high sound wall. The city had no involvement in this decision; it was part of the State's process. By the time you receive this; UDOT will have released the draft EIS (Environmental Impact Statement) and have announced their preferred route for the future West Davis Corridor. If you have not already done so, I encourage you to go to their website and look at the layout. You can find it at <http://www.udot.utah.gov/westdavis/>. Whether you agree with this or not, this was a federally mandated process and has been in process for several years. Since there is now an alignment determined, they will wait for the necessary funding and the need; which will probably be at least another 10 years.

Sewer - A small sewer line project will be underway on 4500 West from 1300 North to 1500 North. This project will allow us to eliminate another sewer lift station. It has been the goal of the city council for a long time to fund sewer projects that would allow us to eliminate the sewer lift stations in the city and move as much as we can to gravity fed line rather than have to rely on electricity and a pump.

I hope you all have a fun and safe summer. Don't forget to mark your calendars for the fun activities scheduled for the 4<sup>th</sup> of July. If you come every year, we look forward to seeing you; and if you've not joined us before, I encourage and invite you to come out and enjoy the best small town, community celebration around with awesome fireworks! Hope to see you there!

## SECONDARY WATER RESTRICTIONS!!!

The Davis and Weber Counties Canal Company is asking ALL residents to water only two times per week for 20-30 minutes per station between the hours of 6pm-10am.

**Please follow the watering schedule below:**

- House numbers ending with 0,1,2,3 water only on **MONDAY & THURSDAY.**
- House numbers ending with 4,5,6 water only on **TUESDAY & FRIDAY.**
- House numbers ending with 7,8,9 water only on **WEDNESDAY & SATURDAY.**

Those who abuse the water restrictions will have their irrigation systems "locked down". A fee will be charged for the removal of the lock!

Mark your calendars for this years Party at the Point Celebration.

Thursday, July 4th.

Be sure to watch your mail for more information to come with a list of this year's activities.

If you are interested in being a vendor at this year's celebration please contact Jolene @ 801-614-5347

Details at [http://](http://www.davischamberofcommerce.com/tot)

[www.davischamberofcommerce.com/tot](http://www.davischamberofcommerce.com/tot)

Taste of the Town lets the community sample about 25 restaurants in the Davis County area, with a live band. Many residents in Davis County have made this an annual tradition.

Layton City will be sponsoring a free concert of 'Riders in the Sky' following the event in the Ed Kenley Amphitheater at 8pm.

Approximately one month ago, a gold band diamond wedding ring was found in West Point City. It has since been turned into the Davis County Sheriff's office, for inquiries please call the Davis County Sheriff's office at 801-451-4150.

The owner of the ring must be able to describe its design.

Spring is here and we are beginning to see flowers and trees in full bloom. With these first signs of spring, we are also seeing the first signs of weeds coming up.

Just a reminder that residents are responsible to keep the weeds in park-strips and yards under control. Weeds are not allowed to be over 6" tall or citations may be issued.

Compassion

"It is lack of love for ourselves that inhibits our compassion toward others. If we make friends with ourselves, then there is no obstacle to opening our hearts and minds to others."

-Unknown

Last month the YC planted flowers at the Retirement Home & cleaned up the Bluff Trail. They are working on encouraging efforts in bringing greater patriotism and respect for the rising generation for our Country! Please join them and do a float for this year 4th of July parade! Now is the time to start planning & decorating!
