

West Point City

ENHANCING QUALITY OF LIFE

MAYORS MESSAGE

Can you believe that summer is almost here? After a really wet May I hope we continue to get some rain to take the pressure off of our water shortages. I won't write anymore about water conservation but please if you are reading this be mindful of this precious resource this watering season.

One of the Crown Jewels in our city every year is our 4th of July celebration. I can't even tell you how many people I have talked to over the years who love and look forward to our little city celebration each and every year. It really has become the event that highlights the best part of our little community. For those of you who have not attended in the past mark your calendars and you will not be disappointed, I promise. From the flag raising ceremony first thing in the morning until the last of our awesome fireworks go off this years celebration is going to be the best

ever. On behalf of the City Council, come and enjoy the best West Point has to offer Saturday, July 4th. If you come one time you will never want to miss it again.

One thing that makes our 4th of July celebration so great is our great volunteers. Each year we have dozens of volunteers that help make the event great. We will never turn down help. If anyone would like to help please contact City Hall and we can put you to work. From city staff, public works, and all that help out I would personally like to thank all of you who sacrifice your holiday so that all of us can enjoy ours.

I hope you have a safe and enjoyable summer. If any of you have any questions comments or concerns please don't hesitate to call me.
