I/We hereby apply for utility services, and abide by all pertinent ordinances and regulations of West Point City (hereinafter called "The City"). I further agree to pay, when due, the established charges for such services. I agree that The City may shut off the water for failure to pay culinary water, sewer, garbage, secondary water and storm drain charges when due. I understand that, in addition to the above, The City may assess late and/or shut off fees for which I will be responsible for paying if I am late or my water gets shut off for nonpayment. If shut off occurs, all arrears for services including all fees shall be paid in full before service is restored via cash, cashier's check or credit card. In the event that action is required to enforce this agreement, I agree to pay all costs including late fees, shut off fees, collection costs, court costs and reasonable attorney's fees.
